

UI documentation

WeShare image sharing service

Primary color for the website is #37EDE8 and secondary color is #FFFFFF. There is permanent header on top of the page and it is shown on every page. As a background there is white picture with some random words written on it in every direction.

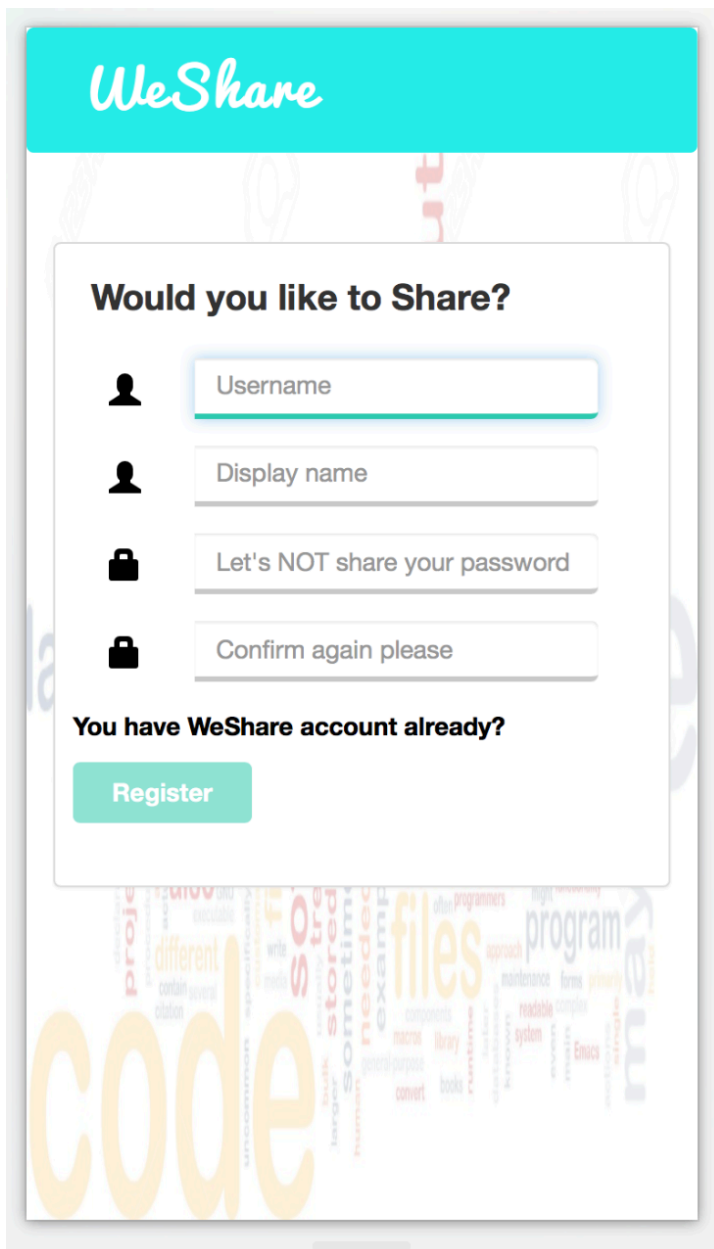

Login screen

Navbar: height: 66pt, color: #37EDE8, background: mostly white image

Using this page user can login to the application or sign up for the service.

Registration screen

The image shows a mobile app registration screen for 'WeShare'. At the top is a teal header with the 'WeShare' logo in white script. Below the header is a white registration form with a light gray border. The form has a title 'Would you like to Share?' in bold black text. It contains four input fields, each with a person icon to its left: 'Username' (with a teal border), 'Display name', 'Let's NOT share your password', and 'Confirm again please'. Below these fields is the text 'You have WeShare account already?' followed by a teal 'Register' button. The background of the app is white with a faint word cloud at the bottom containing terms like 'code', 'files', 'program', 'stored', 'need', 'exam', 'macro', 'library', 'convert', 'books', 'system', 'readable', 'complex', 'forms', 'primary', 'maintenance', 'approach', 'often', 'programmers', 'night', 'security', 'Project', 'write', 'make', 'different', 'contain', 'several', 'citation', 'project', 'different', 'contain', 'several', 'citation', 'project', 'different', 'contain', 'several', 'citation'.

WeShare
